Dear Parents and Carers

Children's Mental Health Week

The challenges of the past year have made us all acutely aware of the importance of supporting our children in staying mentally, as well as physically, healthy. This week, we have been discussing children's mental health on class calls. For the past six years, the charity [Place 2 Be](#) has been promoting Children's Mental Health Week – this year's theme is creativity. In today's assembly, I shared [this link](#) which has some great ideas for being creative with everyday objects at home – this is not compulsory, but is an optional extra. Please send any photographs of your child's creations in either on Teams or to homelearning@hendreds.oxon.sch.uk. I will share as many as possible in next week's assembly.

SCOPAY

Please could you review any balances owed for school dinners, breakfast club and afterschool club. If you have any queries, please contact the school office.

Parent Teacher Interviews

Thank you so much for taking part in the virtual PTIs last week and for the positive feedback that you gave to the teachers.

We are hugely appreciative of the support that you are giving to the children throughout this period. We know that it is far from easy and we admire your resilience. Keep it up!

Best wishes

Mr. J. Veness
