Dear Parents

Nuts May I remind parents and carers that we are a nut free school. We have several people in our school community (adults and children) who are allergic to nuts. This is particularly important for those children who bring packed lunches to school. Could you please check the ingredients of bread, bars etc.

Uniform Please could you ensure that all school uniform is named? This way we can help items get back to their owners.

Head Lice Precautionary measure, please check your children's hair, some cases have been reported. Thank you.

School eye screening test Parents of children in Reception year should have received a letter regarding eye screening tests. These will be carried out on Friday 31 January 2020. Please return the consent forms back before this date.
