Dear Parents and Carers

I hope that you and your families are all well. As of yet, we have no further news about the re-opening of schools and how this might be phased. We expect the government briefing on Sunday this week to provide some details as to how lockdown might be eased and this is likely to include some information about schools.

Assembly and Class Catch-Ups I posted a recorded assembly in the 'Files' area of each class team this morning. In the assembly, I announced that from tomorrow each class is going to have 'Class Catch-Up' on Teams. Class 5's Catch-Up is scheduled for tomorrow at 10.30am. The other classes will have their sessions next week – dates and times will be announced via Teams over the next couple of days. The sessions will take place in the form of a video call with your child's class teacher. Please see attached set of ground rules for these sessions. Parents of younger children may wish to be present with their children for the duration of the session, whereas the parents of older children may wish to monitor their child e.g. by working in the same room or by keeping a door open so that they can hear their child.

VE Day Bunting This Friday marks the 75th anniversary of VE Day and will be a bank holiday and so there will be no Teams work set for the children. I hope that the weather is good and that you are all able to enjoy the long weekend. We would love to see the bunting that the children have made this week. Please send photographs to homelearning@hendreds.oxon.sch.uk or share them with your child's teacher on Teams.

I am looking forward to seeing Class 5 in their 'Catch-Up' tomorrow and I hope to see you all soon.

Best wishes

Jamie Veness
