Dear Parents and Carers

Track and Trace To support the NHS Test and Trace process, we have been asked to be available for the first 6 days of the Easter holiday to fulfil necessary contact tracing responsibilities. **Please let us know if your child tests positive for Covid-19 up to and including Tuesday 6 April.** You do not need to notify the school if your child tests positive after Tuesday 6 April unless it impacts their return to school next term.

FOTH Non-School Uniform Day To mark Earth Day, **Thursday 22 April** will be a non-school uniform day. Children should bring a £1 donation which will go towards Friends of The Hendreds who will be providing each child with their own sunflower to grow in school and eventually take home.

The Life bus This year's Life Bus sessions, which form part of our PSHE curriculum, will take place virtually on **Monday 26 and Tuesday 27 April.**

Relationships and Sex Education From September 2020, the teaching of Relationship and Sex Education (RSE) in primary schools became compulsory; as a result of this change, all schools need to hold a Parent Consultation before teaching this content to children. This does not represent a significant change for us as in previous years we have taught the non-compulsory elements of the RSE curriculum in an age appropriate way. The Parent Consultation is an opportunity for you to ask any questions that you have relating to this part of the curriculum; it will take place virtually on **Monday 10 May at 7.00pm.** More details, and a link to join the meeting, will follow in due course.

Best wishes

Mr. J. Veness
