Dear Parents and Carers

At a time like this, it feels strange to say goodbye to the school community without seeing and talking to all of you. However, say goodbye I must and pass the reins on to, the very capable, Mr Veness.

The final few weeks of my 14 years at The Hendreds have highlighted to me why this has been a special place to work. All of the parents, children, staff and governors have been incredibly supportive and generous to others. We have received nothing but thanks and offers of help. That is what this community is all about!

That special spirit has been threaded through all of the members of staff I've been lucky enough to work alongside over the years and has made my time such an enjoyable one. Some of the most memorable ones have been on the school residential trips and outings. From star gazing on Exmoor, canoeing in Northumberland, zip wiring in Dorset to car racing in Sussex and many many more, I've enjoyed every minute of it; apart from the zip wire!

Finally, I would like to say thank you for contributing to all of these wonderful memories and I wish you a healthy and happy future.

Chris Savage
