## **Religious Education**

We follow the Oxford Diocese scheme of work for Religious Education. Key Stage 1 study Christianity and Judaism. Key Stage 2 study Christianity and other major world religions.

## **Physical Education**

All children receive a minimum of two and a half hours per week, including lessons taught by their teachers and specialist coaches. The end of term tournaments (*all* pupils participate) and inter-school competitions are highlights of our sporting year.

## **Computing**

Information Computer Technology is embedded within the curriculum. Computing is also taught discretely, e.g. using programming apps on the iPad.

## **Languages**

Spanish is taught to all of the children at the school. Latin is studied by children in Key Stage 2.

## **Art**

Artwork is included in topic work and taught discretely.

## **Design and Technology**

Design and Technology is included in topic work and taught discretely.

## **Music**

Music is included in topic work and taught discretely.
