Dear parents/carers

As part of our ongoing commitment to improving our school, we are inviting all parents and carers to complete our annual Parent Survey:

[Parent Survey January 2026 – Fill in form](#)

As always, the survey follows the standard Ofsted format and gives you the opportunity to share your views on what we do well and where we can continue to improve. Your feedback is extremely valuable and helps us to shape our priorities and development as a school.

The survey is anonymous and should take only a few minutes to complete. The survey may be completed in the way that best suits your family: once per family, once for each child attending the school, or once per parent or carer. We would be grateful if you could submit your responses by the end of half term on **Friday, 19 February**.

Thank you in advance for taking the time to support the school in this way. We very much appreciate your continued support and partnership.

Yours sincerely

Lisa Rees
