Dear Parents and Carers

SEND Parent Survey

Following our review of the responses to the whole-school parent survey shared in the spring term, we would greatly value further feedback from families of children with SEND.

We are keen to gather your views so that we can better understand your experiences, identify what is working well, and highlight areas where we can improve our provision, communication, and support for pupils with additional needs.

If you feel your child has special educational needs or disabilities—whether or not they are currently on the SEND register—we would appreciate you completing the online survey below:

The survey is quick to complete, with options to provide more detailed responses if you wish. You are also welcome to complete a separate survey for each child where relevant.

We would be grateful if you could submit your feedback by Friday, 8th May 2026.

Thank you in advance for your time and support.

Kind regards,

Anne Cockburn
