

May 2026

Dear Parents and Carers of The Hendreds Church of England School,

At Stir Food, we are passionate about serving fresh, high-quality, and locally sourced meals prepared right in our kitchens. We believe that school lunch is a vital part of your child's wellbeing, setting them on the right track for a healthy life.

We offer to all our schools:

- **Healthy Menus:** Our 3-week menu cycle, including our Soil Association Bronze Food for Life accredited meals.
- **Special Diets:** How we support children with allergies, intolerances, or specific medical dietary requirements.
- **Free School Meals:** Guidance for Reception, Year 1, and Year 2 pupils, plus how to apply for older children.
- **Dining Experience:** Details on our "theme days" that explore global cuisines from Italy to Jamaica.

We want to hear from you!

We involve our young customers in designing our menus and take your feedback seriously to ensure every dish is just right. Please take a moment to complete our short feedback survey: <https://www.surveymonkey.com/r/HCECS0526>

If you have any questions or would like to discuss a bespoke menu for your child, please contact us at info@stirfood.co.uk.

Best wishes,

The Stir Food Team
