9 July 2026

Dear parents and carers,

### **End of Year report**

I am writing to let you know that your child's end of year report has been sent to you today.

Reports are being distributed via our assessment system, Insight. Please look out for an email from [system@insighttracking.com](mailto:system@insighttracking.com) containing details of how to access your child's report and check your Junk/Spam folder if you have not received the email by this evening. Please note that the link provided will only be available for 6 weeks so we encourage you to access and download the report as soon as possible.

In addition to their end of year report:

- Year 1 parents will receive their child's score from the National Phonics Screening Check.
- Year 2 parents of children who did not meet the expected standard in Year 1 will receive their child's score from this year's National Phonics Screening Check.
- Year 4 parents will receive their child's score from the Multiplication Tables Check.
- Year 6 parents are reminded that SATs results will not be included with these reports due to the national delay in the release of Key Stage 2 test results, which has previously been communicated. We will share these results as soon as they are made available to schools.

At the end of the report, you will find a section where you can provide feedback to the school. We greatly value the views of our families and would be grateful if you could take a few moments to share your thoughts. Should you experience any difficulties accessing your child's report, please contact the school office for assistance.

If, after reading the report, you would like to discuss any aspect of your child's progress or attainment with their class teacher, please contact the school office to request an appointment. We will be pleased to arrange an opportunity for you to speak with the teacher.

As we reach the end of another successful school year, I would like to take this opportunity to thank you for your continued support. The partnership between home and school plays such an important role in children's success and we are grateful for all that you do to support your child's learning and development.

We are incredibly proud of all that our children have achieved this year. Their hard work, resilience and enthusiasm for learning have been evident throughout the year, and we hope you enjoy celebrating their successes with them.

Kind regards,

Mrs Rees
