11th September 2026

Dear Parents or Carers

We have been lucky enough to be nominated as a sponsored school by Hachette Publishing which means we are going to run a sponsored read throughout September and October to raise money to buy some books to enhance our classrooms, school library and our selection of books that relate to our topics.

We are asking if children can track the amount that they read and ask the adults in their lives to sponsor them in their reading between Monday 14th September and Friday 16th October.

You can request a new log sheet whenever your child runs out. They can be sponsored by the book, chapter, page or timed for every hour, half hour or ten minutes depending on amount and reading ability.

We are hoping to maximise the funds raised to support reading resources and opportunities for our children. Many companies offer Match Funding Schemes, where they will match the money raised by an employee through volunteering or participation in a fundraising event. This can significantly increase the impact of our fundraising efforts at no extra cost to families. If your employer offers match funding, or if you think they may have a scheme that could support our Sponsored Read, we would be very grateful if you could let us know. Even a partial match can make a huge difference to the funds we raise for the school. Please contact the school office or myself if you would like more information or are able to help.

The child in each class who raises the most money will win a book of their choice for themselves and pick five books for their class library.

Please encourage your child to get as many sponsors as possible: family friends, aunties and uncles and grandparents are perfect options for sponsors. Please pay any fundraising into your child's MCAS account by Wednesday, 21st October.
