Dear Parents and carers,

As a school, we value the strong partnership we have with our families and appreciate your ongoing support in helping children to be successful learners and positive members of our community. To support consistency between home and school, I would like to draw your attention to a few documents available on our website that may be helpful.

School Community Expectations Policy

This policy outlines the standards of behaviour, respect and communication that help us maintain a positive, safe and supportive environment for all members of our school community.

<https://www.hendreds.oxon.sch.uk/attachments/download.asp?file=27&type=pdf>

Handwriting Policy

This policy explains the letter formation, joins and presentation expectations taught across the school. Following the guidance at home can help children develop confidence, fluency and pride in their written work.

<https://www.hendreds.oxon.sch.uk/attachments/download.asp?file=224&type=pdf>

Calculation Policy

This outlines the methods and strategies used to teach mathematics across the different year groups. Parents often find this helpful when supporting homework and discussing mathematical methods with their children.

<https://www.hendreds.oxon.sch.uk/attachments/download.asp?file=225&type=pdf>

We hope these documents will be useful in supporting your child's learning and helping us maintain a shared understanding of the expectations and approaches used across the school.

Regards,

Mrs Lisa Rees
Headteacher
