Dear Parents and Carers,

School Councils Children in Need fundraising on Friday, 13th November

We have decided to raise funds for BBC Children in Need again this term on Friday, 13th November. Children in Need support children & young people living in poverty, provide emergency support to families in crisis, provide comfort to children feeling sad, lost and alone, help children overcome social injustice and support children to feel safe and secure again.

The school council have decided to host a non-uniform day based around Pudsey Bear. We are inviting everyone to come to school dressed as different types of bears, including teddy bears. You could choose to dress up in the colours of a real-life bear (such as wearing black and white for a panda) or you can dress up as your favourite teddy bear. You can also bring in your teddy bear for the day as long as they are smaller than 30cm. You can also come dressed in yellow as Pudsey Bear who inspired the school council for this non-uniform day.

We kindly ask for a £1 cash donation to support this fantastic cause.

Thank you so much for your support in helping us make a difference for Children in Need. We're looking forward to a fun and meaningful day!

Regards
The Hendreds School Councillors
