Dear Parents and Carers,

Lunch orders

Thank you for your support in using the Miquill online meal ordering system (through Bromcom) this half term. We appreciate your cooperation as we continue to embed the new process.

We would like to remind all families that school meals must be ordered at least 24 hours in advance; this enables Miquill to prepare the correct number of meals and helps to reduce food waste. So, if you would like to place an order for a Monday, this means it must be placed by 11.59pm on the preceding Saturday.

If you have missed the deadline for a meal on a Monday, please contact the school office as soon as possible. You can either speak to a member of the office team when dropping your child off on Monday morning or email the office over the weekend. The office will be able to place an order on your behalf, provided there is sufficient credit on your child's meal account. Please do not rely on your child informing a member of staff.

Please be aware that Miquill now prepares only two additional meals each day to allow for unforeseen circumstances such as spillages. These extra meals are not intended to accommodate large numbers of orders that have not been placed online or via the office and are calculated based on the meals that have been ordered for that day.

To help us provide every child with their first-choice meal and to alleviate pressure on the office staff we would appreciate all orders being placed in advance.
Thank you for your continued support.

Regards,

LRees

Mrs Lisa Rees
